ABANDONMENT OF SUBMARINE CROSSING

OHIO RIVER MILE 174.8

Notice is given that on or about 1 November 2004, Dominion Transmission, Inc., will begin removing a submarine pipeline crossing along the Ohio River, mile 174.8. The work will require divers and the International alpha code and recreational dive flags will be displayed.

The contractor's floating plant will consist of a 22 foot diving boat and a 24 foot work boat. The two boats will be monitoring marine channel 16. Work will be performed 7 days per week, between the hours of 7:00 a.m. and 5:00 p.m. It is anticipated that this work will be completed on or about 15 November 2004.

During non-working hours, the contractor's floating plant will be removed from the work site.

Mariners are urged to transit at their slowest safe speed to minimize wake and to proceed with caution.
